Summary

Motivated undergraduate B.Tech Computer Science student with strong interest in frontend development and problem solving using data structures and algorithms. Skilled in building responsive web applications and MERN stack projects. Experienced in developing AI-based solutions and working with modern tools. Seeking internship opportunities to apply technical skills and gain real-world experience.

Professional Experience

- **Web Development Intern** 2024
India
SkillDzire - Remote
 - Designed and implemented responsive web interfaces using React.js, HTML, and CSS for cross-device usability.
 - Developed RESTful APIs using Node.js and Express.js for CRUD operations.
 - Collaborated with developers using agile practices including sprint planning and code reviews.
 - Improved application performance by optimizing frontend rendering and reducing API calls.

Projects

- **Restaurant Management System (MERN Stack)**
 - Developed full-stack web application using MongoDB, Express.js, React.js, and Node.js.
 - Implemented menu display, order management, and user interaction.
 - Designed responsive frontend and integrated backend APIs.
- **ParentPal (AI Assistant)**
 - Developed AI-powered assistant for parental guidance.
 - Integrated conversational AI for real-time interaction.
 - Designed simple and intuitive user interface.
- **IntelliStudy AI**
 - Created AI-based learning assistant for students.
 - Provided personalized study recommendations.
 - Enhanced learning experience using AI techniques.

Skills

Professional Skills

- Leadership
- Problem Solving
- Project Management
- Communication

Technical Skills

- JavaScript, Python, C
- HTML, CSS, React, Nodejs
- MongoDB, MySQL
- Git, GitHub, VS Code, Vercel
- DSA, OOPS, OS

Education

- **Sasi Institute of Technology and Engineering** 2023 – 2027
B.Tech - Computer Science and Engineering GPA: 9.0
- **Narayana Junior College**
Intermediate - MPC GPA: 9.7/10
- **Holy Angels E.M School**
SSC GPA: 10/10

Achievements

- 3-Star Coder on CodeChef
- Participated in Smart India Hackathon (SIH)
- Participated in Inspire National Level Hackathon – NIT Andhra Pradesh
- Participated in Google Developers Hackathon

Certifications

- Introduction to Artificial Intelligence – IBM Coursera (2024)
- AWS AI/ML Essentials – Amazon Web Services (2024)
- Foundations Associate – Oracle (2025)
- Generative AI – Oracle (2025)
- Internet of Things – NPTEL (83%)
